WHY BRANDS CHOOSE FANALABS

Direct Senior Execution.
Zero Compromises.

Work directly with senior developers, creative directors & AI architects — for faster delivery, flagship quality, and measurable business results.

100% Ownership Yours
Code, designs, raw 4K footage & accounts stay strictly in your name.

Senior Makers Only
No junior hand-offs. Work directly with the team building your product.

Sub-Second Speed
Fast, mobile-ready experiences built so paid clicks convert into leads.

Clear Stage Previews
Review clickable live demos every sprint and approve cleanly before launch.

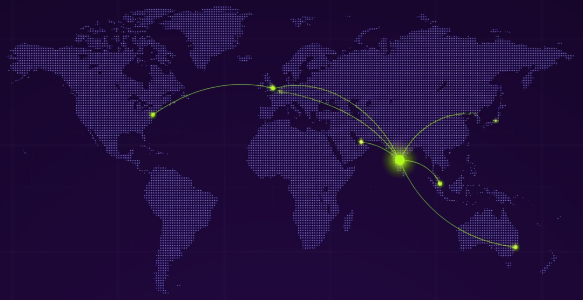

PROBLEMS WE SOLVE EVERY DAY — **REAL OUTCOMES**

- ✓ **Need customers to trust you at first glance?**
  We replace outdated pages with luxury brand design, clear messaging & flagship speed.
- ✓ **Posting online without steady inquiries?**
  We pair daily Reels & Google SEO with high-converting landing pages that generate calls.
- ✓ **Losing leads after working hours?**
  Our AI assistants reply in 2 seconds across web & mobile to capture every buyer 24/7.

Built for Serious Business Growth
Whether launching from zero or scaling an established brand, everything aligns toward qualified inquiries.

FULL-SERVICE DIGITAL & AI COMPANY

We Build Websites, Mobile Apps & AI Automations.
And Grow Your Social Media.

Everything your business needs online under one roof — custom websites, online stores, Android & iOS apps, daily Reels & Google SEO, video ads & branding, and 24/7 smart AI assistants.

100%	< 1s	360°
Full Ownership	Fast Mobile & AI	Done-For-You

Websites & Stores | Mobile Apps | Social & Ads | AI Automation

01 / WHAT WE BUILD FOR YOU

Four Powerful Services to *Grow Your Business Online.*

Pick any single service you need right now, or let us manage everything together seamlessly.

01 — YOUR 24/7 SHOWROOM

Websites, Stores & Apps

Ultra-fast websites, online stores with instant UPI & card checkout, iOS/Android mobile apps, and custom business software.

- ✓ Sub-second mobile load & luxury UI
- ✓ 100% source code & domain ownership

Custom Websites · UPI Stores · iOS & Android

02 — DAILY BUYER ATTENTION

Social Media, Reels & SEO

Full Instagram, YouTube & Facebook growth, top Google Maps & Search rankings, plus high-ROI ad campaigns that drive calls.

- ✓ Consistent scripting, edits & viral Reels
- ✓ Local Map dominance & buyer lead ads

IG & YT Reels · Google Top-3 · Meta & Ads

03 — INSTANT HIGH TRUST

Video Ads, Logos & Brochures

Commercial video ads, brand promo films, custom business logos, brochures, flyers & complete visual design that convert.

- ✓ Commercial video ads & brand promo films
- ✓ Logos, brochures, flyers & brand kits

Video Ads · Custom Logos · Brochures & Print

04 — NEVER MISS A LEAD

24/7 AI Bots & Automation

Smart AI receptionists on your website & digital channels replying in 2 seconds day or night to qualify buyers cleanly.

- ✓ Instant 2-sec bilingual buyer replies
- ✓ Auto-logs inquiries to Sheets & CRM

2-Sec Replies · 24/7 AI Agent · Auto CRM Sync

Pick One Service or Launch All Four
Built modularly so design, website, growth & AI connect cleanly from Day 1. →

02 / WHY CLIENTS CHOOSE FANALABS

One Connected System. *Zero Tech Confusion.*

Instead of hiring separate freelancers who never align, one team handles your look, website, ads, and lead replies together.

Under 1-Second Load & Reply
Websites open instantly on mobile while AI handles buyer inquiries & lead routing 24/7.

100% Ownership Stays With You
Your domain, code, design files, raw 4K footage & social pages stay strictly in your name.

Senior Specialists Under One Roof
Talk directly to the designers, engineers & marketers actually building your growth engine.

Complete Funnel — Attract to Close
Reels & ads bring visitors, premium web design wins trust, and AI captures every inquiry.

INCLUDED WITH EVERY ENGAGEMENT

- ✓ Mobile-First Custom UI
- ✓ Weekly Live Demo Links
- ✓ Direct Senior Lead Access
- ✓ Google Search & Maps
- ✓ Post-Launch Support
- ✓ 100% Ownership Rights

WHY BUSINESSES SWITCH TO US — ONE INTEGRATED SYSTEM

× Multiple Freelancers	✓ FanaLabs Company
• Managing 3–4 unlinked teams	• Web, Reels, Video & AI aligned
• Generic templates & slow speed	• Custom code — no templates
